

TWENTIETH CENTURY CLUB OF BUFFALO PRESERVATION FOUNDATION

WHITE GLOVE GALA 2016

The Twentieth Century Club of Buffalo Preservation Foundation was formed as a 501 c (3) non-profit organization in 2012. The sole mission of the Foundation is to preserve and protect the magnificent architecture of the E. B. Green and Wicks-Design Italian Renaissance style building located at 595 Delaware Avenue, Buffalo, New York and named to the National and State Registers of Historic Places in 2011.

The Preservation Foundation is supported through the generous donations of The Twentieth Century Club members, community individuals, private foundations, organizations and businesses.

The Annual White Glove Gala is one of the Foundation's most ambitious fundraisers and recognizes five exceptional women who have made significant contributions in the areas of music, art, public affairs, literature and community leadership. These are the very same core values espoused by Charlotte Mulligan when she founded The Twentieth Century Club of Buffalo in 1894.
